BIOSURF Workshop

“Biomethane as fuel – Applications and obstacles”

Programme | March 22nd 2017

On March 22nd 2017, in the framework of the Berlin Energy Transition Dialogue (BETD <https://www.energiewende2017.com/>), the Workshop: “Biomethane as fuel – applications and obstacles” will take place from 9:30 to 16:00 in Berlin.

PROGRAMME

Time	Theme	Speaker
9:30 – 10:00	Registration	
10:00 – 10:15	Welcoming / Introduction	Hendrik Becker, <i>Fachverband Biogas e.V.</i>
10:15 – 10:45	Experiences and obstacles for biogas production in Canada	Chris Perry <i>Grow the Energy Circle Ltd.</i>
10:45 – 11:15	Practice examples for biomethane production in Europe	Stephan Hoffmann <i>PlanET Biogastechnik GmbH</i>
11:15 – 11:45	Practice examples for biomethane production worldwide	Volker Wehber <i>Evonik Resource Efficiency GmbH</i>
11:45 – 12:15	Panel discussion	
12:15 – 13:15	Lunch break	
13:15 – 13:45	Market development and biomethane trade in Europe	Arthur Wellinger <i>European Biogas Association</i>
13:45 – 14:15	Market development of biomethane in the UK	Gaynor Hartnell <i>Renewable Energy Association</i>
14:15 – 14:30	Coffee Break	
14:30 – 15:00	Biomethane in developing and emerging countries	Clemens Findeisen <i>Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH</i>
15:00 – 15:30	Final Discussion	

Additional Information

Venue

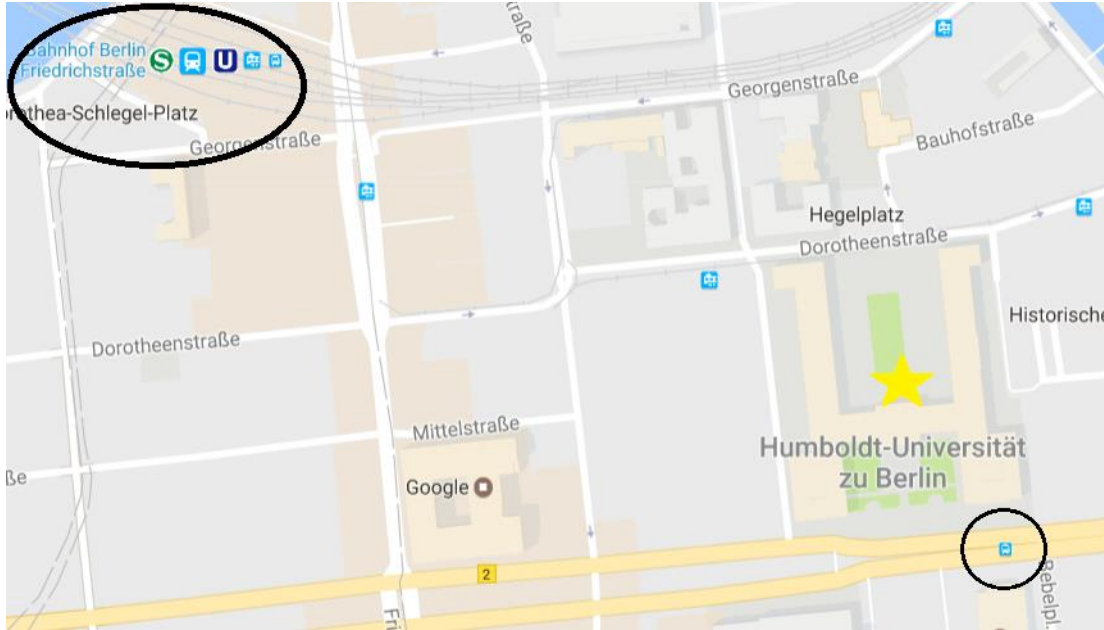

Humboldt University
(Beratungsraum 2249a, main building)
Unter den Linden 6, 10117 Berlin

Registration

Please register by writing an email to christiane.weise@biogas.org

How to get there

The Humboldt University is located in the centre of Berlin, therefore easy to reach with the public transportation system. From the central station, take bus TXL in direction to Alexanderplatz, get off at Staatsoper. Or take the S-Bahn to Bhf. Friedrichstraße and walk from there about 760 meters.

The venue can also be reached by foot from the main venue of the BETD (Auswärtiges Amt der Bundesrepublik Deutschland, Werderscher Markt 1).
