

EU biogas and biomethane inventory of regulatory framework

Number of legislative act with a link			
Name of legislative act			Application procedures for requesting and granting incentives for biomethane transported "extrarete" (without the injection in the natural gas grid).
Date of Publication			05/08/2015
Date of implementation			
Purpose			In this document is described the method of calculating and the release of the incentive in the case of biomethane used in transport or in CAR plants ,without injection into the transmission and distribution grid of natural gas, so through direct connection of production facilities to the consumer sites or by gas tank trucks or transport with similar characteristics (such as tanker transport LNG) or private network.The above mode of transport of biomethane are generically referred to in this document with the phrase: transport extarete
Relevance to the biomethane sector			In this document is described the method of calculating and the release of the incentive in the case of biomethane used in transport or in CAR plants ,without injection into the transmission and distribution grid of natural gas, so through direct connection of production facilities to the consumer sites or by gas tank trucks or transport with similar characteristics (such as tanker transport LNG) or private network.The above mode of transport of biomethane are generically referred to in This document with the phrase: transport extarete
Relation to EU legislation			
Scope			The document is part of the implementation procedures that the GSE (manager of electrical services) is required to publish in the implementation of the ministerial decree on Dec. 5, 2013
Specification of a legislative act	Targets		no
	Support Systems for Biogas	Subsidies	no
		Feed in Tarrifs	no
		Premiums	no
		Tax exemption	no
	Support Systems for Biomethane	Subsidies	no
		Feed in Tarrifs	no
		Premiums	no
		Tax exemption	no
	Sustainability		NO
	Non-discriminatory access to the grid		NO
	Mass-balance		YES
	Transport		YES
Emissions		NO	
Biowaste		NO	
Digestate		NO
