

## EU biogas and biomethane inventory of regulatory framework

Number of legislative act with a link			LOI no 92-64 Last amended: 21/09/2000
Name of legislative act			LOI no 92-646 du 13 juillet 1992 relative à l'élimination des déchets ainsi qu'aux installations classées pour la protection de l'environnement (1)
Date of Publication			13/07/1992
Date of implementation			14/07/1992
Purpose			Focuses on waste disposal as well as installations classified for environmental protection
Relevance to the biomethane sector			This law notably introduces the principle of departmental plans for disposal of household and similar waste, in which methanisation and/or compost allows for the reduction of household and similar waste.
Relation to EU legislation			EU directive n°99/31/CE of 26 April 1999 (amended by the directive n°2011/97/UE of 5 December 2011)
Scope			This law coordinates all actions to be taken both by government and by private organizations to ensure the disposal of household waste and all waste that , by their nature, can be processed in the same facilities as household waste
