

EU biogas and biomethane inventory of regulatory framework

| | | | |
|---------------------------------------|---------------------------------------|-----------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Number of legislative act with a link | | | UNI/TR 11537 |
| Name of legislative act | | | Introduction of biomethane in transport networks and distribution of natural gas. |
| Date of Publication | | | 24/07/2014 |
| Date of implementation | | | |
| Purpose | | | the technical report provides guidance techniques for entering the biogas obtained from the purification of gases produced from renewable sources in transport networks and distribution, ensuring the security and continuity of service |
| Relevance to the biomethane sector | | | the technical report provides guidance techniques for entering the biogas obtained from the purification of gases produced from renewable sources in transport networks and distribution, ensuring the security and continuity of service |
| Relation to EU legislation | | | |
| Scope | | | The document regulates the injection of biomethane into the natural gas networks in Italy. This document will be revised when the work will be completed by the CEN / TC 408. |
| Specification of a legislative act | Targets | | no |
| | Support Systems for Biogas | Subsidies | no |
| | | Feed in Tarrifs | no |
| | | Premiums | no |
| | | Tax exemption | no |
| | Support Systems for Biomethane | Subsidies | no |
| | | Feed in Tarrifs | no |
| | | Premiums | no |
| | | Tax exemption | no |
| | Sustainability | | NO |
| | Non-discriminatory access to the grid | | NO |
| | Mass-balance | | NO |
| | Transport | | NO |
| Emissions | | YES | |
| Biowaste | | NO | |
| Digestate | | NO | |
