

EU biogas and biomethane inventory of regulatory framework

			Gas network Access ordinance - DE version
Number of legislative act with a link			
Name of legislative act			-
Date of Publication			25.07.2005 / last revision: 03.09.2010 / last amended: 31.08.2015
Date of implementation			29.07.2005 / last revision: 09.09.2010 / last amendment: 08.09.2015
Purpose			This ordinance lays down the conditions under which access must be provided by grid operators to their networks to those who are entiteled to such access. Moreover, it covers the feed-in of biogas and the connection of biogas plants to the pipeline networks. In order to ensure that access to the networks is granted to those entitled to it in a non-discriminatory way, the ordinance also lays down requirements for the efficient capacity utilisation.
Relevance to the biomethane sector			Conditions for access to gas grid
Relation to EU legislation			n.a.
Scope			This ordinance lays down the conditions under which access must be provided by grid operators to their networks to those who are entiteled to such access. Moreover, it covers the feed-in of biogas and the connection of biogas plants to the pipeline networks.
Specification of a legislative act	Targets		n.a.
	Support Systems for Biogas	Subsidies	No
		Feed in Tarrifs	No
		Premiums	No
	Support Systems for Biomethane	Tax exemption	No
		Subsidies	No
		Feed in Tarrifs	No
		Premiums	No
		Tax exemption	No
	Sustainability		No
	Non-discriminatory access to the grid		Yes
	Mass-balance		Yes
	Transport		No
Emissions		No	
Biowaste		No	
Digestate		No
